HUD Homeless includes Chronically Homeless. Precariously Housed includes people doubled-up, couch surfers etc. Unknown/Not Recorded are not shown separately, but are included in Totals. All client counts are unduplicated unless otherwise noted. Statewide Unduplicated counts may not equal the sum of County or AHS District Totals. For example, if a person with the same unique identifier was counted by an agency in Addison County and by an agency in Chittenden County, statewide unduplicated counts will count this person as one, and breakdowns for Addison County and for Chittenden County will each count this person.
