Sec. E.300.4 SPECIALIZED HOUSING VOUCHERS

(a) The Secretary of Human Services shall convene a working group to include one representative from each of the Departments of Mental Health, of Corrections, for Children and Families, of Disabilities, Aging, and Independent Living, and of Housing and Community Development within the Agency of Commerce and Community Development; the Vermont State Housing Authority; and the Vermont Housing and Conservation Board to develop a strategy to fully utilize available federal rental assistance funds for vulnerable populations in Vermont. This rental assistance, in the form of specialized and rapid rehousing vouchers, serves specialized, vulnerable populations, including homeless families with children, homeless youths, chronically homeless individuals with mental illness, and families that have lost or are at risk of losing a child to State custody. The working group shall consult with community-based housing and human services providers and examine the following:

(1) whether existing expenditures on case management or other services for this vulnerable population could be utilized as match to draw federal specialized voucher funds; and

(2) Vermont’s current allocation of housing assistance funds to ensure that Vermont maximizes the ability of the State to draw federal voucher funds; and

(3) any other recommendations the working group may make to help avoid further loss of these specialized vouchers.

(b) On or before November 1, 2019, the Secretary of Human Services shall report the findings of the working group to the Secretary of Administration for possible inclusion in the Governor’s 2021 budget request and concurrently to the House Committees on Appropriations, on Health and Welfare, and on General, Housing, and Military Affairs and the Senate Committees on Appropriations, on Health and Welfare, and on Economic Development, Housing and General Affairs.
